Old Business:

WSR Update– There was a gathering a couple of weeks ago with about 20 members, Anna would like to have another one in the spring and a final one at the end of the year. There are many sites that do not have reps. How do we encourage other sites to get one? Possibly have sites adopt others. Communication between friends at other buildings is the way to do this. Let Anna Taylor know if you are interested.

First Book – We have pre-filled forms for all Title building in BSD. We need as many contacts and volunteers as possible. We may be teaming up with the Woodburn drive to get our books here as we are having trouble getting 2,000 signatures and didn't realize how difficult it would be to get folks involved and excited about free books.

Habitat for Humanity – We are good to go tomorrow morning in Beaverton with our group of 8 as a couple of folks are sick. If you are interested tonight let Dianna Hess know, as we'll take you with us. We will schedule more events this year.

New Business:

Holiday Initiative for Homeless Students – Cheri Arthur –Chair – We have right around 500 homeless high school students that have a need for warm sock, hats, scarves, and gloves this winter. Our drive will run from November 16-24. Transportation, Maintenance Admin and drivers are on board; we need to get the custodians on board as well to collect at their sites for this to move forward.

Zone 1 Meeting – November 18, SRHS at 5:00 Building a Strong Tomorrow please RSVP to the Salem office

Field Report- Kim Bonner: EdZapp is going away, if you want your data you will need to go in and retrieve your data before December 18<sup>th</sup>. AppliTrack will be a lot more user friendly and easier to customize. Kim will find out how to go in and print off important data for those that want to do so.

Good of the Order: There has been a push from the larger Unions to hold off from backing specific political figures or movements. What does our GRO (Lawrence Rajotte) think is the reason why? If you endorse too soon, they don't work hard enough for you. AFT is endorsing Clinton. OSEA is holding off at this time. Lawrence feels it is best to hold off as long as possible.

How long have we been having Labor Management Meetings? Since before Kim began with BSD  
What kind of topics has there been this year? Vacancies - shortages of staff/subs- group issues that impact entire classifications.

Door Prize winners: Kristen Croft and Robert Bowles.

Respectfully,  
Dianna Hess, Treasurer– filling in for open Chapter Secretary position

Next meeting is at Sunset High School in the library at 5:00 on January 12, 2016
