A Member's Union!

"I am so proud to be an OSEA member! I have the help I need when I need it from friendly staff and fellow members. It is really like being part of a wonderful family!"

... **a union of people just like you** who want fair wages, good health insurance and reliable retirement benefits.
 ... **a community** that works together for quality education, public services and economic stability.
 ... **a family** that provides representation and advocacy when you need it, whether it is for problems on the job or fighting to keep your job in the face of privatization.
 ... **a resource** with scholarships, professional development programs and benefits for members such as supplemental health insurance, life insurance and discounts for family vacations and sports tickets.
 ... **a strong organization** representing over 20,000 public and private employees throughout Oregon and an affiliate of the American Federation of Teachers (AFT), which represents 1.4 million workers.

"Joining OSEA has been one of the best decisions in my life. I am amazed at how much OSEA cares for its members. OSEA has helped me in so many ways."

OSEA is

Oregon communities, students and workers depend on OSEA advocacy. Contribute today!

Decisions made at the Capitol and by voters impact the lives of OSEA members. The **Education and Labor Advocacy Fund (ELAF)** is the easiest and most effective way you can help elect candidates who support our issues, pass ballot measures that reflect our values and defeat those that don't. It is funded solely through voluntary contributions, not through dues dollars. You don't have to contribute much to make a difference. In fact, it may not cost you a thing if you take advantage of the **Oregon Political Tax Credit** (up to \$50 if filing individually and up to \$100 jointly). For example, if you contributed \$2 per month and worked 10 months out of the year, that's \$20. With the tax credit you may get your 20 bucks back at the end of the year and have the satisfaction of doing your part to advance the interests of OSEA members.
